

Social Worker

Sam

Written by children, young people

+

and staff of Somerset's

Children's Social Care

This book, co-authored by care experienced children and young people,

is gifted to Somerset's primary schools by the Corporate Parenting

Board in recognition of the amazing care shown by our foster families

+

and social workers.

This is Sam.

Sam is my social worker.

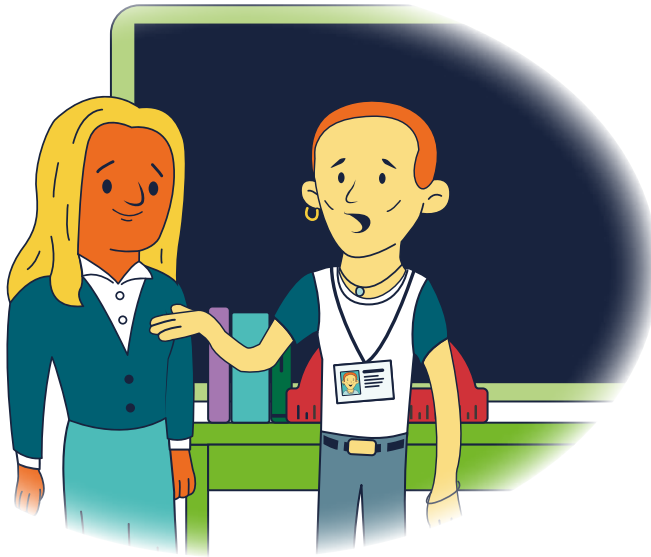

Social workers help families

when there are problems at home.

They

might

talk

to

your

school.

They might go to

meetings

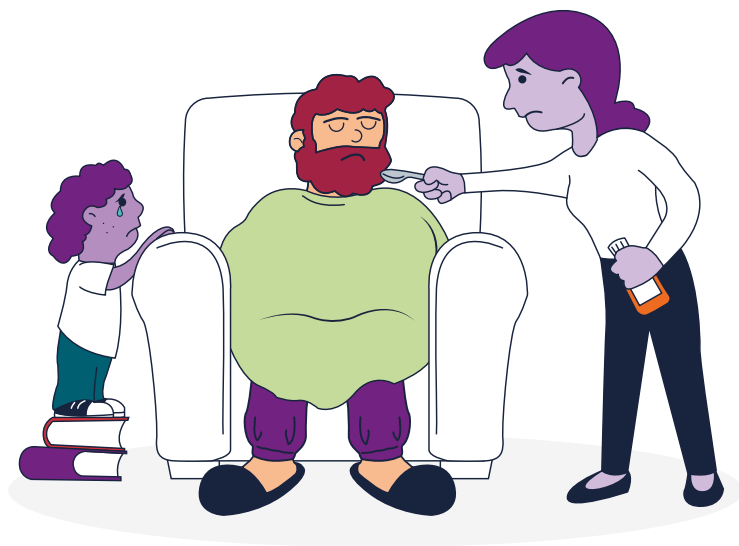

about what help

you need.

 My daddy has been poorly
 + 

 and my family can't always

 ++
 look after me as well as

 they would like to.

Sam comes to my house

+

and helps my family

to keep me

+

and my sisters

+

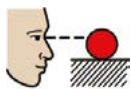

safe and happy.

Sam brings everyone else around us to help too.

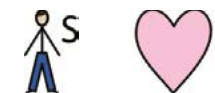

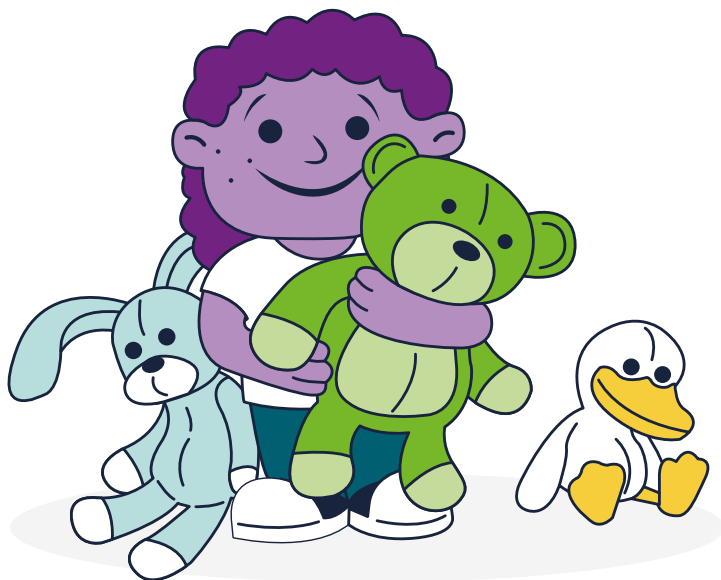

Sam looks at

my bedroom.

Sam likes

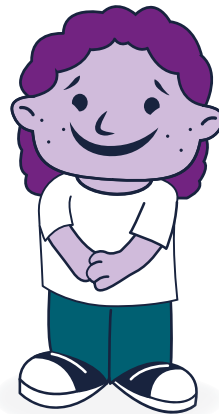

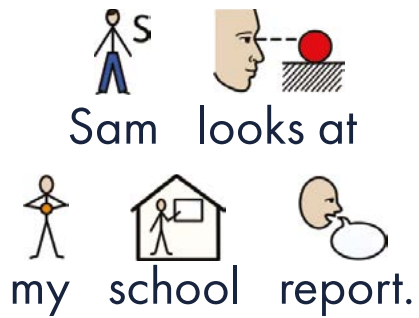

my

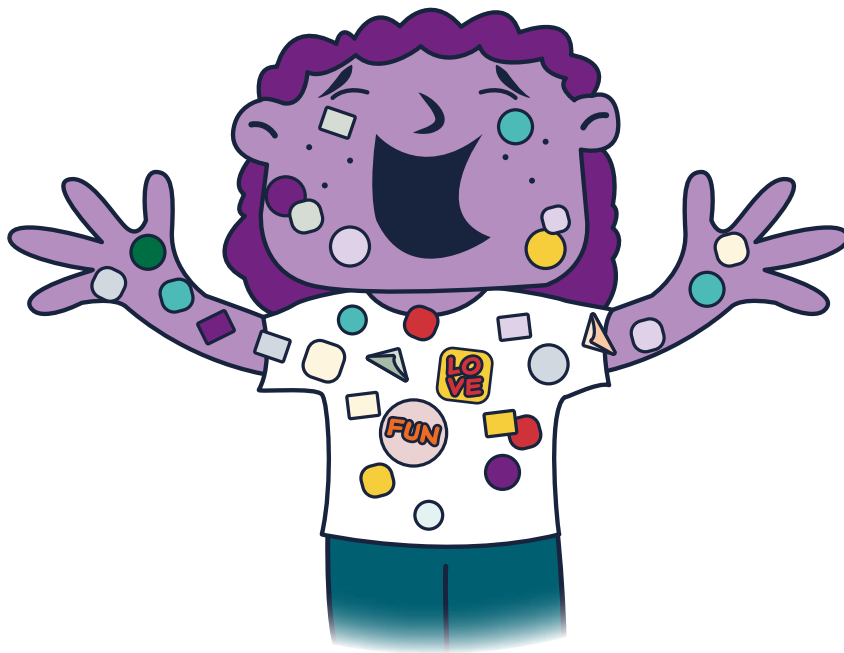

cuddly

toys.

  
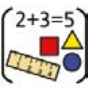

Sam gives me

 
some stickers

for being good

 
at maths.

We go to the park

with Ferne the dog

and we have a chat.

Sam is a good listener.

Sam knows

some good jokes

which makes me laugh.

 If I feel sad

 ?

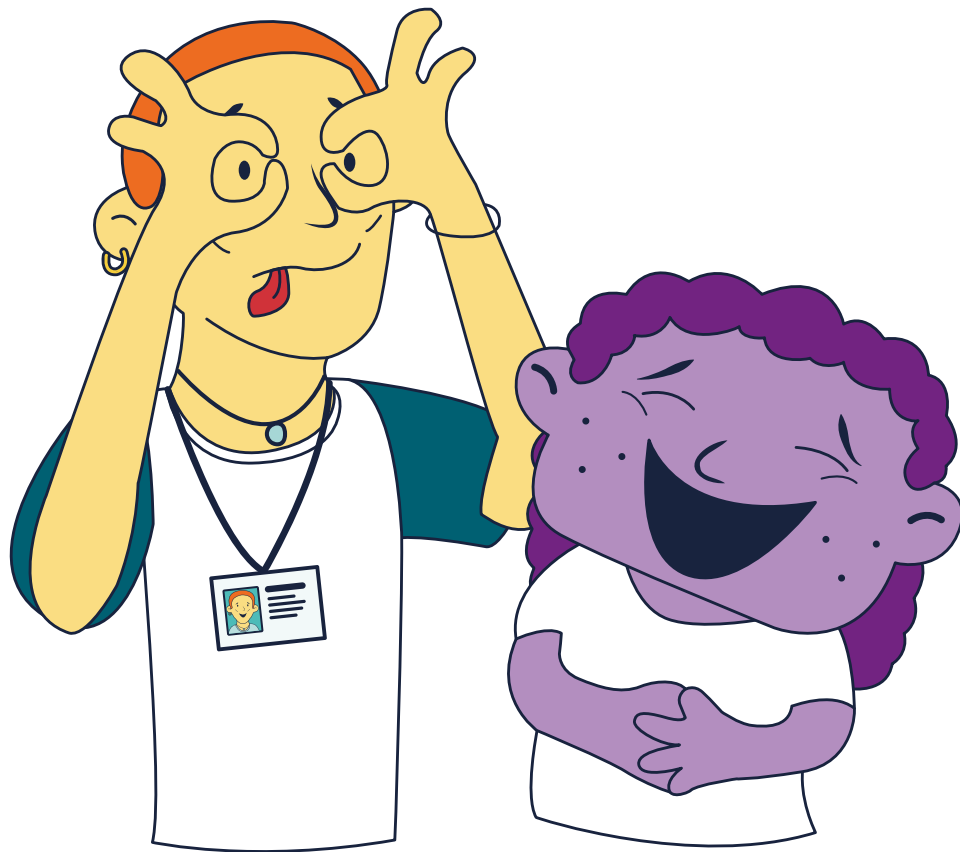

or have a question

 that I ~~~~   ask my  family,

 I can  ask  Sam.

 S
Sam is kind
+ 
and  funny.

 When I grow up I want to be

 kind and thoughtful like Sam.

 I told Sam "I want to be a

 social worker just like you".
